## The Burden

The Burden

> By <em>AngelMorph<em>

I make more decisions in an hour,  
> Than most do in a lifetime â€" <br> Decisions far harder,  
> Than should ever be made, <br> Especially by a young boy of my  
age.

In battles,  
> In meetings, <br> In life.

Faced with so many  
> Who aren't as they seem, <br> I fight in this battle  
> To save a planet <br> Already lost to all.  
> Lost, like my innocence. <p>

In battles,  
> In meetings, <br> In life.

I make the choices that will,  
> Lay out the fate of our planet â€" <br> A burden far heavier,  
> Than should ever be borne, <br> Especially by a young boy of my  
age.

>AN: Upon re-reading this poem I noticed how horrible it was.  
Hopefully it's better now. Let me know what you think.
